Funky Colored Flames

Color Your Fire With Funky Colored Flames

Description: Have you ever wondered how to change the color of fire? Winlow Outdoor Experiences did and they created a new product called Funky Colored Flames that does just that. This new innovative product creates a brilliant display of blue, green, and purple. It can be used in indoor/outdoor wood fireplaces, bonfires, campfires and backyard fire pits. What a great way to add some life to your fire and watch the reaction it has on individuals. Funky Colored Flames is patent pending. This product can be used all year round. In the winter months of indoor fires which is especially great for Christmas and other holiday celebrations, to the summer months of camping and backyard fires. Funky Colored Flames is great for all occasions. For the full effect place entire closed packet on top of fire. After 5 minutes, colors will spread naturally throughout your fire. Colors last up to 30 minutes, so sit back and enjoy the magical flames. They are available at Wal-Mart stores across the U.S & Canada, Target Stores, Camping World, Canadian Tire stores across Canada and many other major retailers across North America.
